ABM BINGO FUNDRAISER

Saturday, Aug. 9, 2025 at 7pm US Central Time at

<https://abm.slaafws.org/LPC>

Purchase your card(s) one hour or more PRIOR to game time

at <https://slaadvi.org/abmbingo/>

Each card is \$19.76 USD and is valid for at least 5 games.

Screen Share will be used by the Bingo Host so you can see the Call Sequence. You will likely have multiple applications open on your computer. One for the Bingo Card and One with Zoom.

WINDOWS USERS: ALT+Tab switches between open applications, not within zoom itself.

MAC USERS: Command (⌘) + Tab switches between open applications, not within zoom itself.

1. Your individualized bingo card access code will be emailed to you after your bingo donation is received. You will enter your code at **<https://abm.slaafws.org/bingo>** to access your card.
2. You can use an iPad, laptop, or phone to play — or print your bingo card if you have a printer connected to your device.
Note for printing your Bingo card: We'll be playing multiple rounds using the same card. If you plan to mark your card with a pen or marker, you might want to print extra copies. Alternatively, you can use coins or small items from your workspace to cover the spaces and reuse the same card.
3. If you purchased more than one bingo card you'll need to open each card on a separate screen or browser tab, or print copies of each card. We strongly recommend using a second device such as your phone or tablet unless you have multiple monitors on your computer.
4. Your bingo board number is located at the top left — the host will use this number to verify your “BINGO.”
5. Only click Reset when you're starting a new round *after* a winning bingo has been confirmed and the host say “Reset your cards”
